Conservative Government Launches Digital Budget Tool: My Benefits

For Immediate Release

OTTAWA, March 25, 2015 – Dr. Colin Carrie, Member of Parliament for Oshawa and Parliamentary Secretary to the Minister of the Environment, today announced that the Government of Canada has launched an online digital tool, My Benefits.

This user-friendly digital budget tool will make it easier for Canadians to find out about the tax relief and benefits available to them. Young parents, small business owners and even a Red Seal Apprentice will easily be able to identify themselves on the site, and find out what tax measures will put more money into their pockets. The site is especially designed for smartphones and tablets and it is all presented in clear, simple language accessible to all.

My Benefits can be accessed at www.canada.ca/budget2015
