### Dr. Colin Carrie Named Official Opposition Deputy Critic

For Immediate Release

Ottawa, November 20<sup>th</sup>, 2015 - The Hon. Rona Ambrose, Leader of the Official Opposition and Interim Leader of the Conservative Party, announced today the Official Opposition Shadow Cabinet. With the announcement, Dr. Colin Carrie, Member of Parliament for Oshawa, was named deputy critic for Health.

"I believe the team we have assembled will be the strongest Official Opposition this country has ever seen," said Ms. Ambrose. "I am proud to lead this team of talented and respected individuals from across Canada. Together, we will ask the Government the tough questions and hold them to account."

Over 5.6 million Canadians voted for the Conservative Party on October 19, leading to one of the strongest oppositions to a majority government in Canadian history. The Conservatives will form a strong opposition and ensure hard-working Canadians and their families are protected and the country's finances kept in check.

"I was honoured to receive a call from Ms. Ambrose asking if I would serve in the Shadow Cabinet for the Official Opposition as deputy critic for Health. I look forward to working with the Hon. Kellie Leitch and the rest of our Shadow Cabinet to hold this government to account" stated Dr. Carrie.
