

Dr. Colin Carrie, MP Oshawa

Oshawa MP Supporting Local Students

For Immediate Release

Oshawa, September 7, 2016– Today, Dr. Colin Carrie, Member of Parliament for Oshawa distributed backpacks containing school supplies to students in need at Mary Street Community School. These backpacks were made available through his participation in the Telus Days of Giving.

“We’re always grateful for any support we receive from our community” said Kasia Janowski principal at Mary Street Community School.

This year marked the tenth annual TELUS Days of Giving, which brought together more than 17,850 volunteers at over 1,350 activities across Canada. Dr. Carrie joined Telus on the Hill to stuff these backpacks for youth in our community and those affected by the wildfires in Fort McMurray.

“I’d like to thank Telus for their commitment to the communities in which they operate and for allowing me the opportunity to provide these students with the essentials they need to excel” said Dr. Carrie. “The reality is that certain Canadian families are finding it harder and harder to make ends meet and community programs like these help ease the burden for families.”
