For Immediate Release

Oshawa, August 26, 2016 – Dr. Colin Carrie, Member of Parliament for Oshawa, welcomed the announcement of Matthew Anderson as the new President and CEO of Lakeridge Health.

“I was delighted to hear that someone with Matthews’s depth of experience has accepted the top position at Lakeridge Health” said Dr. Carrie. “Canada’s demographics are shifting and it’s more important than ever that our healthcare systems are functioning to the best of their ability. Lakeridge Health has proven that we can offer some of the best care in Canada and I look forward to a continuation of that service excellence.”

“I extend my best wishes to Matthew and the team at Lakeridge Health as they begin the transition of leadership. I can’t wait to see what great things they have in store for our community” stated Carrie.
