MP Carrie puts up wager that the Oshawa General will win the Memorial Cup

For Immediate Release

May 23, 2015, Oshawa – Dr. Colin Carrie, Member of Parliament for Oshawa and Parliamentary Secretary to the Minister of the Environment, announced today that he is so confident that the Oshawa Generals will win the Memorial Cup this year, that he is willing to make a friendly wager with some parliamentary colleagues.

MP Carrie has agreed to a wager with Members of Parliament Guy Caron, Ron Cannon and Raymond Côte who represent the ridings of the Rimouski Oceanic, Kelowna Rockets and the Quebec Remparts. All MPs have decided to submit local products from their respective ridings as the wager. On Tuesday, May 26, all 4 MPs will meet for a photo shoot where they will be wearing their respective team's jerseys.

The opening match of the Memorial Cup starts tonight with Quebec Remparts squaring off against the Kelowna Rockets. The Oshawa Generals play their first game Saturday afternoon at 4:30 PM against the Rimouski Oceanic.

Quotes

"It has been 15 years since the Generals won the Memorial Cup. This is the Generals year – I can feel it! This team showed a lot of courage and determination throughout the season, and I encourage all residents to put their support behind our home team. I am more than happy to make a wager with my parliamentary colleagues and I look forward to collecting all those unique, local goods."
